

## **Fresh Tracks Canada Offers Fall Foliage and Wildlife Spotting with Added Bonus**

*Travelers receive free sight-seeing or heli-tour in the Canadian Rockies with qualifying package*

**VANCOUVER, BRITISH COLUMBIA, CANADA – August 1, 2012-** Considered one of the best seasons to travel, autumn in Canada is the perfect time to enjoy crisp mountain air, brilliant gold foliage and to spot wildlife foraging before the winter. For a limited time, Fresh Tracks Canada has a special offer to make a trip even more spectacular.

Customers who book a rail journey or self-drive experience of six nights or more for this September or October by August 31, 2012 can take advantage of the Fall Colours Offer and receive a guided sight-seeing or heli-tour in the Canadian Rockies. Take in the shimmering orange, yellows and reds of the changing leaves and view the salmon spawning along the rivers through British Columbia and an abundance of eagles and bears feeding on their prey.

Fresh Tracks Canada's travel experts carefully craft each itinerary to the desires of its clients and one of the popular sample itineraries is the [Complete Canadian Rockies by Rail](#) package. Explore the best of Western Canada with stops in Vancouver, Jasper, Lake Louise and Banff, including a train ride onboard the luxurious Rocky Mountaineer through the Canadian Rocky Mountains. Starting with a personal pick-up at the airport, travel experts will make every day of this eight day/seven night package simply amazing from the start to finish.

The Fall Colors Offer is only valid on Fall 2012 bookings, made before Aug 31, 2012, of packages six nights or more, based on double occupancy. This special cannot be combined with another offer, cannot be applied to existing bookings and is subject to availability. Some restrictions apply. Guests traveling in 'Comfort' level, enjoy an additional half-day tour from Lake Louise, while guests in 'Deluxe' and 'Mountain Lodge' level, enjoy a 12 minute heli-tour from Banff, and those in 'Deluxe Plus' level will enjoy a 30 minute heli-tour to Mount Assiniboine, all tours with opportunities to view waterfalls and glaciers along the way.
